

HACC National Service Standards

All HACC service providers are required to meet the following quality standards:

1. Access to Services
2. Information & Consultation
3. Efficient & Effective Management
4. Co-ordinated, Planned & Reliable Service Delivery
5. Privacy, Confidentiality & Access to Personal Information
6. Complaints & Disputes
7. Access to an Advocate

If you are having problems with any HACC service in the Sutherland Shire or believe your rights are being infringed, you should talk to the service concerned or call the funding body:

**NSW Department of Ageing,
Disability & Home Care
(Metro South Region)**

Phone 9334 3700

For more information about HACC, including copies of this brochure (correct at December 09):

Sutherland Shire HACC Development Project
tel: **9542 6244**

SUTHERLAND SHIRE SERVICES TO HELP YOU LIVE AT HOME

The Home and Community Care (HACC) Program is jointly funded by the Australian and NSW governments to support people with a disability, frail older people and their carers to live safely in their homes.

You do not need a referral to HACC services.

You can contact any service and ask for more information or an assessment.

home and community care
