<b>Description of Service</b>	<p>The Generalist Community Nursing Team consists of Registered and Enrolled Nurses who provide the following nursing care to people living and working in the Sutherland Shire.</p> <p>The Generalist Community Nurses provides:</p> <ol style="list-style-type: none"><li>1. General Home Assessments - this often results in the introduction of support services and referral to other health care professionals. The service has a multidisciplinary approach, which ensures holistic care.</li><li>2. Administration of medication and injections - this includes the administration of IV antibiotics.</li><li>3. Wound management - acute and chronic wounds are monitored using digital imaging and Medical Officers are informed of the client's progress.</li><li>4. Palliative care in conjunction with the Calvary Community team - this is dependent on individual wishes.</li><li>5. Personal care - this is provided to those with an unstable health status. Clients who have a stable health status and require ongoing assistance will be referred to another agency.</li><li>6. Education and support to clients and carers.</li></ol>
